QR Code Link to This Post Whether it's an informal meeting for two or a large presentation, our meeting rooms can host your business meeting in our professional office environment. We're able to accommodate up to 10 people, and our dedicated business support teams can organize everything from binding presentations to catering - leaving you to focus on your business.

We offer professionally equipped meeting rooms that are perfect for any business occasion:

- Meeting Rooms: professional, equipped with internet and phone and fully serviced
- Boardrooms: ideal for formal presentations
- Interview Rooms: a stylish and neutral place for you to hold an interview.
- Available by the hour to make a more cost-effective first impression
- Administrative support team is on-site ready to assist
