QR Code Link to This Post If you're looking for perfection I'm the one to call! Ill do anything regarding cleaning and organizing (which is my specialty). I clean cabinets, refrigerators, closets and all...whatever needs to be cleaned or straightened out. I will also wash and fold laundry neatly at your home location only. Laundry service is included with service. 2*** loads only. More loads???\$25 per load. I do nothing but the best house work. Bathrooms will be left shining. No more soap scum, dirt under your feet etc. You'll actually see a difference...a huge one at that. Your house will be left smelling fresh like never before! Now, I work alone and I do take my time to really get things in order the way they are supposed to be, so I charge per room. I charge \$85 per room exact. That's applies to the living area, kitchen, bedroom and bathrooms. Guaranteed the best work you'll find. Any service after the 1st*** cleaning the price is \$60 per room :) So please do call or text. I promise you'll be more than satisfied. Call me. See what I mean :) Thanks so much for considering!

Najah.
