QR Code Link to This Post Seeking a roommate to share a 1,300 sq ft townhouse located in West Fayetteville. The townhome is a 2 bedroom 1.5 bathroom and includes a furnished living area, dining area, kitchen, washer and dryer, and small fenced-in patio area. The cost of rent is \$500 which we would split down the middle as well as water, electricity, and high-speed internet.

I am a full time teacher and a part time student. I work regular business hours during the week and I take evening classes that are a mix of online and on-campus. I'm ideally looking for someone that is also a student, but I'm open to any adult that is responsible, employed, and understands the dynamic of being a considerate roommate i.e. I don't want to have to ask you to clean up after yourself in the shared living spaces. This will be a shared living space meaning I am not seeking anyone that is hoping to turn their living space into a party house. I am quiet, friendly, and am looking for the same qualities in a roommate. I do have a dog and would like for that to be the only pet in the home.
