I am looking for a private room/ private room with bath for rent (through MAY).
Here is what I'm thinking:

I need to rent with like-minded students who are serious about getting research and hw done.
I'd be in town M-F - I don't smoke, have no pets, don't drink, don't do drugs. I like pets, I don't like smoke.
I can pay up to \$300 w/utilities a month.
I am female and prefer to rent from females.
I love to sleep early, and am in bed by 10 and up around 5.
I am not loud, I am mostly on campus, and I am a serious student.

Let me know if you have a space that might work for me. I can give you a reference and a security deposit. Looking to move at the start of the semester.
