QR Code Link to This Post I'm leaving at the end of semester and need my lease taken over before the new year.
 The studio apartment is 500 square feet with stove, oven, refrigerator and sink in the kitchen area, a large closet space with shelving for storage and a bathroom with tub/shower. It's under two blocks to campus which means you can sleep in a little more before class!
 Internet, water and electricity is included with rent and won't be charged separately.
 Laundry facilities are on site just down the parking lot.
