Synopsis:

is a story that takes place in the future. Virtual reality (VR) has become so great that people can experience everything in VR, so people give up on real-life entertainment and become addicted to VR.

The main character is one of them, but one day, a girl he's never met before breaks into his house and changes his life entirely.

Roles

Ben (Supporting): Male, 36-50

a middle-aged guy who is somehow addicted to VR; can't control his temper; when Caitlin and Vincent break into his house to steal food, he tries to bite them.

Ethnicity: All Ethnicities

Vincent's Dad (Background / Extra): Male, 40-58

addicted to VR. No lines. Must be available the weekend of July 8-9. Pays: \$50/day.

Ethnicity: All Ethnicities

\$ 334 / Day
