Additional Vehicle Information:

A carry-over from 2005, the 2006 Suburban is available in eighteen different trim combinations of LS, LT or LTZ. This up-to-nine-passenger full size SUV can be ordered in both two and four-wheel-drive configuration. There is a 1500 (half-ton) or a 2500 (three-quarter ton) series and both come standard with a 5.3Liter V8 that produces 295HP, or the optional 6.0Liter that generates 335HP. This vehicle has passed its mechanical inspection with no problems to report. There are no known defects on this vehicle. The engine runs smoothly and it has been maintained. The transmission is a match as it shifts properly and is smooth. There are no electrical problems reported on this vehicle. All the electronics in it work properly and all the switches, knobs and buttons are present and accounted for. The exterior is in good shape showing little to no wear. The interior is in great shape showing only minor wear. For more information on this and other vehicles please see our website: www.frontierautosales.org
