Fresh paint, vertical blinds, very large rooms in a safe, secure spot with gated carport and secure entrance. Hardwood floors, dishwasher, and fridge. Large balcony, pool and gardens. Good neighborhood Looking for a mid to late 20's female room mate. Want someone who has a full-time job and the ability to pay rent on time. Hoping to live in a stress free environment. Looking for someone who can keep common areas tidy, but I won't get upset if you leave a dish in the sink for a few hours. Looking to rent.
