QR Code Link to This Post I am looking for a roommate (or a couple) to take the master bedroom (12' by 14') with bath in a 2br/2ba apartment and you have an indoor parking spot. Rent is \$465 (\$1065 for a couple) month to month but expect a long term commitment. Utilities and WIFI are all included in the rent.

The apartment is at 420 Avenue G, Redondo Beach, CA. It is walking distance to beach with ocean view. Please check villagerredondo.com for more information and pictures. Credit check and income verification are required (\$40 non refundable). The room is available now.

I am a mature working professional, clean, quite and respectful to others, not smoke/drink. I commute to this area for work (7:00 am to 5:00 pm) and leave on weekends.

What I am looking for in a roommate includes: no drug, no smoking, clean, quiet, respectful, pay bills on time, a working professional. Please send me, Willy, a message to introduce yourself if.
