Little Friends licensed home daycare is currently looking to fill spaces for children between the ages of newborn to 5 years old. These are full time slots, available Monday thru Friday, between the hours of 7am and 6 pm.

I have been providing reliable, quality child care in this community for over 19 years. My facility is fully licensed and monitored by the municipality, meaning it is inspected for health, safety and quality practices. Licensed providers are fingerprinted, background checked, and required to complete at least 20 hrs per year of child development training, in addition to CPR/1st Aid training and having our property fire inspected annually.

I offer a structured yet open, child friendly day to those in care. All children and infants are welcome to participate in our daily circle time, and preschool curriculum is used for those nearing 3 and above, at no additional cost.

My current rates are as follows:

Birth thru 18 mos \$750/mo

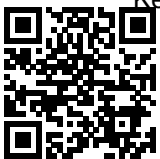

19 mos - 36 mos \$725/mo

3 yrs+ (and potty trained) \$700/mo

All nutritious meals and snacks are included, and I take part in the USDA food program which monitors the feeding of children in my care.

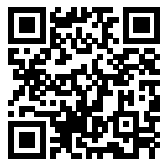

Please call with additional questions.

Thank you!
