QR Code Link to This Post My husband and I would like to find a new and good loving home for our 8 month old full breed male shetland sheepdog. We have had him since he was 8 weeks old but we are re locating and unfortunately our new house does not allow us to have any pets. He is healthy and up to date on all his shots. He looks like lassy. He is loving, energetic, and playful. He is house trained and knows some tricks and loves to play fetch. He is great with kids and other dogs. He loves attention. Would be great for a family with kids or big yard. Serious inquiries only.
