QR Code Link to This Post My tutus are made with high quality super soft nylon tulle and are very full and fluffy. Each tutu is made with a soft elastic waistband and will stretch approximately 2-3 inches to grow with your child. I specially handcraft each and every tutu with great care and attention to detail for your little sweetie. I carefully ribbon wrapped each waistband for extra polish and to ensure that tutu knots stay tied and are good for years to come.

My tutus are perfect for birthdays, holidays, portrait sessions, weddings, recitals, parades, special events, or just hanging around the house. Tutus also make adorable and unique shower gifts. Wear with bloomers, leggings, or jeans for an adorable boutique look.
