QR Code Link to This Post First impressions are everything... Make sure your next show is a Rockin event with top notch pro sound and light production from one of the regions top production pros. I work with the best bands in the region and am ready to add you to that list. I will negotiate a rate that fits your budget without downsizing your show. Before you call one of the rest... do your band a favor and call one of the best! My mix is highly sought after and I can provide as many references as you can handle. Contact me today and lets Rock your next show!
