Have you ever thought of teaching music privately?

Are you teaching now, but have difficulty attracting and keeping students?

Are you ready to move into the next level of Clarity, Ease, and Profitability?

Many benefits are available through freelance music teaching: part or full-time income, accelerating your learning process, enhancing your compassion, and being of service to your community. It's very ironic that the one skill that most musicians rely upon to earn (or supplement) their income is not, or very rarely, actually taught in schools!

Through this training, you'll achieve new clarity about your relationship to Five Essential Teaching Issues:

* Intention * Communication * Organization * Time * Money * with ease and profitability

CONSISTENTLY GENERATE TEACHING INCOME OUTSIDE OF A SCHOOL, INSTITUTION, OR MUSIC STORE

"Music schools never taught me the business side of teaching music, and Michael is a real marketing professional. He has helped my ads tremendously, both on-line (Craigslist) and in print, taking them through quite a transformation.
