Starburst is a beautiful, medium sized, 2.5 year old sable colored female. She has a heavy bone structure and has been great with all the people and dogs she's met but would do best as an only dog in the family. She's a medium energy level dog who would be great for an active owner. She's also quiet, playful, and has been crate trained. Starburst may have a splash or another breed in her background but she's mostly GSD.

If you are interested in meeting/adopting Starburst, please fill out our adoption questionnaire which you can find at <http://www.scgsr.org/adoption/aq/>.

Starburst is Spayed, microchipped, vaccinated, and comes with a collar, all included in adoption fee.

If adopting is not a possibility right now, could you join us in saving lives by giving a dog a temporary safe place to live for a week or more? Contact us to find out about fostering. Please refer to our website for contacts www.SCGSR.org.
