Boisset Collection Independent Ambassadors represent the direct-to-consumer division of worldwide Boisset Family Estates -- a luxury wine company based in St. Helena, CA and Burgundy (23rd largest in the US, 3rd in France).

We offer a great and flexible entrepreneurial opportunity in the wine industry. Whether or not you have current employment, it's great way to earn additional income on your own terms.

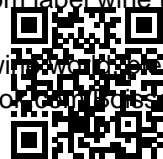

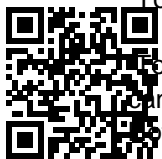

We are looking for independent brand ambassadors to extend the tasting room experience and market our award-winning wine portfolio (over 80 exclusive, limited production selections) through wine tasting experiences at home, and through corporate and special events. Our custom label and etched bottles of fine wine are great for corporate gift programs.

Our selections from California and France range from \$18 to \$350, and while well-known global brands (Raymond, DeLoach, JCB, Buena Vista, Bouchard, Bouillot, etc.), nearly all of our wines are available only through ambassadors or at the wineries themselves.

Boisset Wine Ambassadors earn generous 25 to 30% sales commissions, and there is no inventory required. You can work as little or as much as you want. Many ambassadors (nationwide) have additional income streams, some focus solely on their wine business, which they do online, over the phone, and in-person through social and business networking.

You can market our wine all over the country to direct ship states, as well as custom label wine that is great for businesses and special event clients.

To learn more and become a part of this great marketing development in the wine industry, please contact us for further details. Opportunity available in U.S. only. You can also find us at www.boissetcollection.com, by e-mail at info@boissetcollection.com or <https://www.facebook.com/boissetcollection>, or by phone at 707.932.6211.
