Welcome to Fluff 'n' Stuff Pet Sitting Service. I not only watch your buddy while your away I also clip nails, bathe, teach fun tricks to build a bond, and go on exciting outings such as the dog park or petsmart.

Dog sitting should be like dropping a kid off at daycare, it's fun! That's why my home is filled with engaging toys and activities. Does your pooch love the outdoors instead? Perfect because we live on 6 acers where there is plenty of room to romp around!

Do you have a nervous or older pet who prefers to stay home? Then I'll come to you no problem. I also do drop in visits for the families who only need 30mins for a potty break and feed.

If you have a friendly dog or cat that enjoys the company of other animals than my personal dog will be a perfect match yes he LOVES friends. The house is very spacious though so we can separate if your pet prefers being alone.

I'm skilled with exotics too.

Call me at to schedule an appointment and leave a voicemail so I know it's not spam. I can also email a resume with.
