QR Code Link to This Post 2006-2009 VW Rabbit Jetta GTI Halo LED headlight PASSENGER SIDE ONLY\*\*\*

NOT XENON - Standard bulbs with LED Halo

Due to a miss ship I ended up with an extra passenger side..

In the unlikely even you happen to have the matching drivers side or if you can get one, you will save a ton buying the passenger side from me...

Just didn't want to throw them out...

\$50
