QR Code Link to This Post Hi there! If you're reading this, it's still for sale. : )

Everything you need to start your photography or videographer dream!  
 Selling my barely used Nikon camera. Which is also a hi-def video camera to record your films.  
 Complete Full kit. Working & in Superb condition!

Entire kit was \$3,650!  
 Includes: 3 professional lenses (2 un-used). Charger. Filters. Grip handle.

Two lenses have never been used.  
 Excellent camera kit in a handy sling backpack style protective bag. Plus Fisheye filter.

And solar UV + scratch protector lens cover.

I'm selling other cool stuff too.

Check out my other great things for sale here!
