QR Code Link to This Post Has all kinds of various play stations including step and play piano. Like new since it was only used by visiting grandchildren. Comes from smoke free environment. It slides from side to side. 30" long x 16" wide x 16" tall. Original cost was over \$125. It's been in the basement so it needs wiped down but it's in excellent condition. Need to pick up at Antioch Road and 143rd Street. Will make a great holiday!!
