QR Code Link to This Post I am AMAB trying to transition to be femme-presenting. I find the whole process rather intimidating. I have tried putting makeup on myself and while I liked some of it I was really frustrated and unhappy with the results of my clueless fumbling. I also had trouble enough feeling competent with simple male fashion, so for me the world of shopping for femme clothes for a 5'10" 185lb male body is scary.

I am looking for a trans woman skilled at femme makeup on male bodies to help me with what amounts to a full body makeover- teach me to apply makeup, help me shop locally for a femme wardrobe,.
