QR Code Link to This Post Simply put, I'm looking for an ongoing, friendly FWB arrangement. I'm a working professional and really down to earth. I'm friendly, drug and disease free. Very attractive, fit, and professional.

Into a variety of things including eating out, exploring the city, passionate, and everything in between. Looking for someone in the area (petite to curvy) that would like to get to know each other and see where it goes from there. Interested in an open-minded student or creative woman who I get along with and that could enjoy or need the financial benefits.

First maybe meet up for a drink or a smoke and see where it goes. Email me if you're interested with recent pictures and we can go from there.\$
