QR Code Link to This Post Hello! I thought I was going to get a kitten and had bought so many things for it. In the end, I decided not to. So here's what's for sell:

- NEW Litter Box (\$10)
- Litter (\$5)
- Iams Kitten food (\$10)
- Small Bed & toys (\$5)
- Food and water bowls (\$5)

(Paid almost \$100 for all of this, only asking \$35 or OBO.) This is a great start for people buying their first kitten or cat! This is everything you'll need! can sell separately

Both Litter and food are opened bc I thought I was getting ready to use it, but decided not to. So it's open, but UNUSED and NEW. Must come pick up. Near.
