QR Code Link to This Post Lola is as sweet as they come and has a ton of personality. The word bored doesn't exist in her vocabulary, and she wakes up every morning ready to take on the world. She is guaranteed to keep a smile on your face at all times, and make you feel like you are the only thing in life that matters. Lola needs an active home with lots to do and an experienced dog handler.

Lola has a drive to work and wants to please, so keeping her active with mental and physical stimulation is a must. She is bold and energetic yet loveable and enjoys time to snuggle in your lap. Lola loves to play with her toys (especially ropes) and still has enough energy leftover to go on a hike. Although Lola behaves around dogs in public, she would prefer to be the only gem in your home. Who can blame her? She's a diva and wants your full attention and in return, she will give you hers. Lola is ready for a home to call her own, and deserves to be spoiled like the princess she is.
