QR Code Link to This Post I trust heavy set men as they seem to be more loyal, reasonable, jolly, just all around more trust worthy. I want a heavy set man to come n stay with me for a few days (strictly platonic = no romance, no sex) but want to see where things would go. I want him to brush my hair, watch movies with me, play games with me, chat 2 way conversations with me. He must like cats n dogs as I have a cat and a small lap dog: they are more than just a cat n dog to me, they are my babies. I want this man to be unattached with no real obligations as, if things turn out good I own my own home n expect to stay where I'm at. This man can not be into alcohol as I have had to many bad experiences with alcoholics in my lifetime. This man can not have a criminal record, can not be atheist, must like to cook n be neat n clean n take a lil pride in his self. To weed out spam and bots put your contact phone number in.
