QR Code Link to This Post Looking for a male entertainer to cheer up my best friend (female) at our work. I'll pay you cash to show up to our workplace act normal and pull a "jackass party boy" style, short performance then run out.

I am dead serious. I don't want you to get naked as this is a public area but bring the most ridiculous banana hammock you got. Bonus points if you got an old boombox with some early 2000s R&B CDs.

This would be maybe 10 minutes of actual "work"
