QR Code Link to This Post This little girl needs to find a Forever Home, she is approximately a year and a half old. She is a Very Loving little girl. She is much smaller than the normal cat, she weighs approximately 3 - 4 lbs. I've had her for 6 months, but I'm unable to keep her. I rent a room and it's not fair to her to keep her in one little bedroom; she is NOT an outdoor cat! She is so loving, comes to you when you call her, sits on your lap (Like a dog) lol She just loves to be loved. PLEASE TEXT FIRST! I do not answer calls I don't recognize... three 1 three 6 six 3 six 3 zero
