QR Code Link to This Post looking for someone with .exp on wall repair I have a property that is plywood over wire mesh and stucco it has long cracks that go to the floor above ground level., with that being said you have to have your own angle grinders tools and drills and ladder I will provide the epoxy or stucco polymer patch compound. I might have more work for you and drywall concrete work masonry and so on. So job consists on repairing the cracks and then painting

tengo trabajo de drywall y stucco busco persona con experiencia escalera makita (angle grinder) taladros y experiencia en reparaciones y construcciÃ³n de concreto es plywood sobre wire mesh y stucco el trabajo consiste en repara las grietas y despuÃ©s
