QR Code Link to This Post I have a 16 week old beagle puppy I need to rehome. We work too much and don't have time or attention to give him that he needs. He is house broke and potty pad trained. Super smart pup. He needs someone who can spend a lot more time with him as we both work and have a 7 month old daughter to take care of. He will come with his collers, leash, food, bowls, toys and anything else we have for him. He has had his first set of shots as well. Asking a 100 rehoming fee to ensure he goes to a good home.

You can text Christina at . We are located in New miami/Hamilton
