QR Code Link to This Post I am an amateur photographer looking for amateur models to work with. Time for photos. I live on the east side of Cincinnati, 15-20 minutes east of Eastgate. I can't travel too far though. Just looking to expand my experience and work with others to expand their experience as well. You have to be at least 18. Male or female. I mostly shoot portraits. I don't shoot nude. Don't really have any interest. I'm open to ideas. I'd like to work together to come up with ideas.

This is my photography page.

If you're interested, send me some contact information, ideas that you have and a headshot.

Hope to hear from you, but depending on how many responses I get and how busy I am with work/life, it may take a few to get back to.
