QR Code Link to This Post Beautiful and so sweet Yorkie -puppies. We have a female and a male. They are 10 weeks old and had their 1st shots/worming given. Eating great and ready for their new homes.

Cute adorable 10 weeks old New Yorkies need a new home.

Have a nice neutered male and female puppy to rehome;

neute 10 weeks, all shots, vet records to prove it; will be small under 4 lbs; great with kids, dogs and cats, has yorkie face Bichon body; registered with designer dog registry has 3 generation pedigree mom and dads side;

I did not care about this goal maybe you do.

All paperwork comes with them; responsible home only. Neutered and microchipped; that is reasonable in neutering and shots; must be inside dog.
