QR Code Link to This Post Whirlpool WRS965CIAM side-by-side refrigerator for sale. Stainless steel, counter-depth, brand new water filter, very clean. Purchased July 2014. Works perfectly and in fantastic condition, just traded down for something a bit smaller. It's plugged in and running so you can test everything. Comes with original invoice, all manuals, and a brand new water line. You must pick up, my vehicle is too small to deliver it.

WILL TRADE FOR: licensed/insured professional electrical work, modern-looking and stackable washer/dryer set (gas), custom cabinetry/millwork (two small bathroom vanities), or driveway repair (brick and).
