⊰A master key system (also called a Master Suite system) is perfect for offices, colleges, schools and flats. Very simply, it's a high security bespoke lock system where one master key can open ALL the doors.

â‰'Here is a great example of how it works:â‰'

âSoln a serviced office with lots of companies sharing the building, each tenant needs a key to their office. However, the landlord doesn't necessarily want to have to keep a set of keys so that he/she can gain access to every single office! This is where we can help.
