My name is David Johnson, and I am a retired operations coordinator of the 'Hactivist' group known to most as Anonymous. My services are offered openly and in candor as a show of faith in my ability to remain unfound. Online here, you will find a few of my reviews from my hundreds of satisfied clients. I have never had a real job before, and have made most of my earnings from this work.

I offer;

*Improvement on credit scores

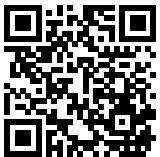

*Blocking of networks

*Termination of links

*Surveillance of finances

And a few others, however, I urge only serious paying customers to contact me, as I do not do this for fun.

Call on; .
