QR Code Link to This Post Solar Contractor is looking for 1 or 2 experienced solar technicians for Nov/Dec/Jan Preventive Maintenance work

We are doing around 100 Solar Tuneups, anode change, P&T, P valve, PV coating and more.

Some relevant experience required.

It's good pay, and we pay $.40 per mile on approved company work if you are running a real work vehicle SUV, Van, Truck. We do not pay you to drive to work or drive home though.

Must be able to solder,
Must be able to carry ladders to get to 2nd floor roof. Hourly or piecework, we can discuss
Must have ability to email pictures and text.

Make sure to include your phone so we can do a quick phone interview. !
