QR Code Link to This Post I have 6 acres in Fern Forest with a structure that for the right person to make their home. I am looking for someone who takes pride in what they have, keeping their space clean, Must be a single male, no pets, no drugs.

I would expect 20 hours a week of work either in the yard or helping me build my structure and I would pay you \$50 a week cash, s in return you would have a free safe place to live. I would not be there all the time, so you would be keeping the place safe and making improvements from a list of things that need to be done each week.

Must be self motivated, honest, and easy to get a long with.

I have dogs, so you must be dog friendly and be willing to dog sit on occasion.

Text only or email . No calls

Please tell me about yourself, your skills, and your goals. If you have a photo or 2 that would help also.

I am going to do interviews and meet people soon.
