QR Code Link to This Post Casting "May," a short student film about an intimate encounter between two friends.

May (Lead): Female, 17-25

grieves the loss of her mother; she isn't very independent and struggles with being alone; she is very vulnerable and very comfortable with the people in her life whom she loves. Must be comfortable "smoking" tobacco (will not have to inhale). Role requires partial nudity (but this can be avoided, if necessary). Must be comfortable kissing another girl.

Ethnicity: All Ethnicities

Astrid: Female, 17-25

May's best friend; she takes on a sort of maternal role and takes care of May in her moment of weakness; she knows May very well and is a confident woman; she is beautiful and strong. Role requires partial nudity (but this can be avoided, if necessary). Must be comfortable kissing another girl.

Ethnicity: All Ethnicities
