QR Code Link to This Post I want to work with/for you. I LOVE working in the music biz, but really want and need to make more money....even if on the side part time. How can I help YOU and what can I do for YOUR business? I am obviously Chicago based, but have spent years working for companies both near and abroad. I am a college educated 30 something with one foot firmly planted in the office/corporate world, and the other equally as firmly planted in the creative sector. I know how to hustle and I pride myself on satisfying even the most difficult of clients. I've taken good care of rock stars for years, and each is happy to confirm that. Need I say more? I have been a worldwide sales manager for HUGE companies recently, and I have packed groceries and all in between...so I am not above doing whatever it takes. I have taught music privately to children up to adults....so I know what a virtue patience is. I have owned and run commercial recording studios, I have wrangled entire teams of real estate agents, I've worked in ma' and pa' music shops all the way up to the super stores, and I have shapeshifted my way around numerous industries learning whatever moves it took to deliver each and every time. And so...I am extending this offer of my service to YOU..and whatever opportunities you might be aware of. Let's work together to make each other MORE MONEY!!! Thanks in advance...!
