QR Code Link to This Post This car runs and drives perfect. It completely loaded with every sing option possible. It only has {48k} miles!!! The price reflects the tittle status and that is why I am selling this beautiful car so cheap.We are a family owned dealership that takes pride in superior customer service. We do all we can in the inspection and reconditioning process to insure a reliable vehicle at a great price. When it comes to pricing , selecting and reconditioning vehicles we strive to get our customers the biggest bang for their buck. We have a full service shop with a full time mechanic on site. We focus on clean affordable and reliable vehicles for the great community in Boise and the Treasure Valley.
