QR Code Link to This Post We are looking for sales reps with a strong work ethic.

In today's no trust economy, 100% of businesses could use a branding product that helps to increase exposure and retain their current client base.

Software Success has developed a software suite that creates a stampede of new customers. Additionally, through a number of contact mechanisms, our software helps retain their current client base and keep them coming back for more.

All of our sales rep work remotely through our cloud-based virtual office. All sales start with the client contacting us for more details. So there is no cold calling. Commission on each sale is \$200. Reps will average three to ten sales per week.

Qualifications:

- Strong work ethic, self-disciplined, motivated, with a strong desire to succeed.
- Good phone and organizational skills.
- Must be easy to adapt and eager to learn new systems
- Commission sales or entrepreneurial experience is a plus but not necessary
- Positive attitude

Duties and Responsibilities:

- +Answer inbound client inquiries.
- +Define customer needs and execute sales plans and/or route to the company sales presentation.

Manage a portfolio of clients and schedule follow-up sessions

Efficiently and easily leads

Handle every call with professionalism and a dedication to providing high-level customer care.

Please forward resume or paragraph detailing work experience or call for the next steps in the hiring
