OUR DETAILS: BEST OF SICILY:

Your 10-day Italy tour of Sicily is packed with architectural treasures that have withstood the ages. You'll begin your tour with guided sightseeing in Palermo's ornate city of piazzas, markets, and churches.

You'll relish the baroque style of the city's historic sites, and savor authentic Sicilian culinary specialties that have been handed down for generations. From panelle, arancini, and cannoli - to almond biscuits and Marsala wines - your escorted tour of Sicily is an epicurean's dream when it comes to cuisine. You'll also be treated to a tasting at Sicily's oldest chocolate factory.

As you tour the perimeter of the beautiful island of Sicily, you'll also enjoy a cruise to the small island of Motya for a museum tour, as well as escorted tours through Sicily's centuries-old UNESCO World Heritage Sites such as the elaborate Villa Romana del Casale in Piazza Armerina.

From palaces to churches, you'll encounter ancient works of art, architecture, and archaeological treasures. You'll visit the Valley of the Temples with its Greek structures that have endured 24 centuries, the iconic St. George Cathedral and Ibla district of Ragusa, and the adorned tiled Staircase of Santa Maria del Monte in Caltagirone.

You'll travel to Syracuse - birthplace of mathematician Archimedes - to see guided sightseeing tour that includes 5th-century BC Greek theater. You'll also enjoy the Church of Santa Lucia - a unique portion of Sicily's baroque scene in the city center - then relax with a drink at a bistro or cafe.

Your Sicily tour package concludes on the beautiful Taormina Riviera with an opportunity to visit Mount Etna - Europe's largest active volcano. A sumptuous meal will put the finishing touch on your beautiful Italy tour of the ancient island of Sicily, with new memories to cherish for years to come.
