QR Code Link to This Post ActivMed Practices & Research is looking for volunteers to participate in a nationwide study on moderate to severe facial acne.

In order to qualify for this study you or your child must:

Have been diagnosed with moderate to severe facial acne

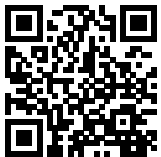

Be over the age of 12 if male, 9 if female

Compensation for time and travel will be provided for those who qualify and participate. All study related office visits, study medication, tests and exams will be provided at no cost to those who qualify and decide to participate.

For more information contact Abi in New Hampshire
