QR Code Link to This Post darling Rehoming a very beautiful, sweet and tame male female African Grey parrot. Unfortunately cannot keep him due to severe bird allergy. Did not know about the allergies and took me a while to find out what is making me sick. He steps up, likes his head scratched, is still very young so bonding should not be a problem. Loves to eat his fruit and veggies and time outside the cage. Wings are clipped, was planning on growing them out, but that would be up to the new owner. Sleeps until you take the blanket off, won't wake you up early. Not a noisy bird.to know more details pls call or...
