QR Code Link to This Post Hi, I am Bobbi. I am 39 I am a Mom, a college student, fun, loving, and honest. I have been providing child care for well over 20 years!! I have watched children of all ages, races, and backgrounds. We have had autistic children, adhd, add, and other challenges. I am CPR and First Aid trained, and I have taken classes in Infant Choking, Natural Disasters, and more! My own kids are honor students!

My rates are simple..

\$130/week 1 child

\$145/week 2 children

If you have more then three kids, we can work something out.

I am paid up front no later then day of service.

I also do overnights for \$40 dollars

I provide snacks and meals, just ask for a donation from time to time :)

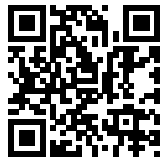

But please understand. I am not a daycare. I am an old fashioned babysitter. I treat kids like I would my own, here at home. I dont do school time, and am not a health nut. I like icecream from the truck, I like stuffing easter baskets, and stockings, and carving pumpkins, and I love getting messy and having fun. Pizza, Burgers, and Candy are treats to me!! My house is clean, we are drug free, smoke free, and alcohol free. I have a clean background!! I will submit to any background or drug test YOU PROVIDE!! :) Just saying..

So please, give me a call or text, give me a shot, promise you will be happy!!

Bobbi
