QR Code Link to This Post I am one of three kittens born to a stray mom, who luckily for us, chose a nice family that took good care of us. Unluckily, when the landlord found out about us, we had to go. This kind couple did not want to take us to the shelter; instead they took to Petsmart in Fuquay-Varina to see if they could find us homes. Luckily for us, a couple, who had been rescuing cats for 30 years and wanted to retire, was visiting the store that evening. They were not happy about us being offered as free kittens; however, they could not just leave us completely to chance so they took us home to foster. All of our names begin with the letter A and my name is Ann. I have am a gray tabby with light orange blending in the fur on my body. My foster mama calls me a Cal-tab, short for Calico Tabby . At first I was a little afraid and shy; now I am not. I run to be petted on my back, picked up, and loved. My purr is sweet and my meow is soft. I enjoy food and take my time eating. I enjoy playing with my brother and sister, dangling strings, rolling balls, and finding hidden objects. If you are looking for a kitten, which will grow up to be a snuggly loving cat, then please apply for me. Thanks in advance for caring.
