QR Code Link to This Post Guitar Lessons via Skype. Learn guitar from a full time professional musician. I have a degree in classical guitar from Queens College in NY. I am a very experienced and dedicated teacher. I am also very patient and always try to make learning the guitar a rewarding and fun experience. I teach most styles including rock, blues, country, classical, jazz and folk. The first lesson is free. If you are interested you can contact me at my website at www.Peterkanelous.com. Also check out my new CD Peter Kanelous, Just a Dream. Available at CD Baby.com or on iTunes
