We are currently looking for vendors to work on 1099 work orders for foreclosed homes. We pay weekly for the work order you submit with the required photos, bids and your invoice. We use direct deposit as well so you get your check fast!

We require an extensive background check, equipment and you need your own vehicle.

The equipment you will need is as follows:

Truck or bigger vehicle with trailer to haul equipment and debris from properties. (you can rent a trailer or borrow from a friend)

Air compressor, generator, push mower or rider (zero turn and brush hog would be great), weed whacker, chain saw, and snow blower or snow plow. Other general tools will be needed such as hammer, drill, screw drivers, etc.

If you are a hard worker, dedicated and looking for work, call me and I will tell you more about it!

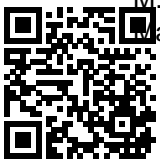

Thank you.

Reviews from a current worker:

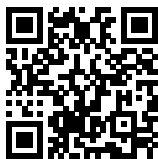

I have been working with Dirigo for about a year and a half now. Great place to work! I have learned a lot since starting thanks to the amazing staff. Staff is always there when you have a questions and to give you pointers! They have always made me feel welcome. Weekly pay is also an added bonus! Work load is never an issue. You want to work they have it for you! If you are eager to work, stay busy, and make good money contact Dirigo!
