QR Code Link to This Post I am looking to do daycare in my home for just a couple of children, preschool age or younger. I may be able to also do every other day kindergarten, A or B day. I have a preschool age child who is used to older brothers and sisters to play with. I live in Nampa off of Garrity

Qualifications:

I can supply references

I have several children of my own, most are older

I am able to work with the disabled

I can help potty train if needed

I have a Bachelor's Degree in Psychology and working on a Master's in Mental Health Counseling

I have passed a Health and Welfare background check

For any questions please feel free to text or call me

Thank you for your time and consideration
