QR Code Link to This Post I have a sweet and playful 12 week old puppy I need to rehome. She is a mixed breed pup with Mom being a boxer/mastiff and Dad being a golden retriever. She is adorable and learning quickly! She is doing very well with housetraining, hasn't had an accident in the house for over a week. She sleeps well in the crate at night, crate training is not totally complete though. She has started to learn to "sit" and "drop it" and she listens very well. She is very smart! I just do not have the time necessary to care for a puppy. She does well with other dogs (and would be happier with other dogs to play with!) not sure about cats. She has been around small kids and done well, but obviously she is still young and needs to be watched.

She will come with her collar and leash, and a small crate. She will likely grow out of the crate in a couple of months but it buys you some time before purchasing a larger one. I will also provide whatever food she has leftover.

A small rehoming fee of \$100 applies to ensure she goes to a good home!
