QR Code Link to This Post Brand New Commercial Under Counter High Temp Dishwasher! Our misfortune is your gain.

We purchased this unit new as part of a new bar build-out and due to confusion between the architect and general contractor, we don't have room for it without re-configuring our bar layout. This unit is brand new, still in the box and never installed or unwrapped. I took the box off to take pictures.

Here's more detail information about the model and specs.
